

Something to do all the year round

In Kajaani you can move all the year round. There are about 20 different sites only 15 km from the city centre. Some of the near nature sites are open in every season, whereas the others are more of a seasonal variety. Visit your favourite places in different seasons for new experiences. You can for example go on a skiing trip from your favourite beach or climb up the Vimpelivaara ski slope in summertime.
