

Your guide to living in Kainuu

Have you recently moved to Kainuu because of work, studies, or family reasons? Are you going to move to Kainuu? Would you like to have advice and guidance on using services, getting active with your hobbies, or acquainted with your new hometown?

City of Kajaani International Info offers settling-in assistance, information, and practical guidance for professionals, students, and families to get life in Kainuu up and running!

We provide you a personal settling-in plan; a document that lays out the tasks and steps you need to complete to get all official paperwork and registrations done. The plan will offer you the necessary information depending on your needs and preferences from Finnish courses and free time activities to networking possibilities. We are at your service free of charge!
